Game Design Document

Fill up the following document

1. Write the title of your project.

Google Feud

2. What is the goal of the game?

Guess what people search most on google.

3. Write a brief story of your game.

It will be a 2 player game. There will be five questions for each player . There will be an incomplete sentence and a dash , the player has to guess whatever is most searched in the place of the dash on google . The points will be given based on which one is searched more often . Every player will only get one life for each question.Whoever scores the maximum score will be considered the winner.

4. Which are the playing characters of this game?

- Playing characters are the ones who respond to the user based on the input from the user.

- Cars, monkeys, dinos, wizards, etc., are the playing characters in the game.

Number	Character Name	What can this character do?
1	Player 1	Fill the dash
2	Player 2	Fill the dash

Draw your imagination of this game. What does this game look like?

- Draw the game either on your computer or on paper.

- Add images of the game scenes to show each of the playing and non-playing characters at least once.

_____

_____

_____

_____

How do you plan to make your game engaging?

The questions will be of increasing difficulty in the game . There will be an applauding sound if the answer is right and a blast sound if the answer is wrong .

Tasks
Setting up database and connecting it to project
Create a form
Game starts when 2 players login
Designing display of question
Keeping track of scores
When the game is finished,display score
